# ROBOT MENTOR PLEDGE

I'm a Project Moxie mentor  
and will work hard every day  
to be patient with my robot  
as we learn and laugh and play.

Together we will strive  
to make the world a better place  
that can be enjoyed by robots  
and the human race!

# **Welcome to Project Moxie!**

**Congratulations on being chosen as a mentor!**

**Your mission is to join your robot on a journey to learn all about what it means to be a good friend to humans.**

**Moxie wants to know what makes humans laugh, what makes them cry, and what makes them . . . human.**

**One of the ways your robot will learn and grow is by completing missions sent by the Global Robotics Laboratory (G.R.L.).**

**This book has an assortment of materials that will help both you and Moxie as you work on missions.**

**And remember, the G.R.L. is always here to help any way we can.**

**Now let's get to work!**

# PLAYING WITH MOXIE

Welcome to the Global Robotics Laboratory!

Moxie is on a mission to learn how to be a good friend to humans. Robots are not the same as humans. There are many things Moxie will want, and need, to learn from you!

**Remember your Moxie is new to the human world. Please be patient!**

## Tips and Tricks

Try to keep Moxie somewhere quiet and bright! Your little robot may become overwhelmed if it is in a room that is loud, or someplace where there is a lot going on.

You are being invited into the world of the G.R.L. You will answer questions, complete missions, and explore topics designed for the sole purpose of helping Moxie learn what it's like to live in the human world.

# MISSIONS FROM THE G.R.L.

The G.R.L. wants you to do missions with Moxie in order to help your little robot learn what it means to be a good friend to humans.

Moxie will tell you all about missions. There are also pages in this book where you can check off each mission as you complete it.

Your robot is available to work with you every day, but if you miss a day or two, don't worry. Moxie will wait for you so you can play and do missions together whenever you are ready.

**MOXIE MENTOR TIP:** The G.R.L. wants Moxie to start the activities because that's how a little robot brain will learn and grow.

# THE G.R.L. PORTAL

There is a secret section of the G.R.L. portal just for you and other mentors.

Ask a parent or other trusted adult to help you link your Moxie to the G.R.L. at [www.globalroboticslab.com](http://www.globalroboticslab.com). There, you will find games and activities!

## CALENDAR

## MISSIONS

## WELCOME AREA

There are also pages to print out and a calendar to keep track of all you do as you help Moxie to be a good friend to humans.

## VISITOR GUIDE

# REWARDS AND UPGRADES

You can get badges and trophies and so much more at the G.R.L. portal.

## BADGES

For helping Moxie, you can earn a badge.

Each badge is upgraded every time you increase your Star Rank 5 points!

## TROPHIES

When you finish all the missions in a section, you will get a Trophy!

## CERTIFICATES

Sometimes, the G.R.L. will decide to give you an award for helping Moxie.

## CIRCUITS

Sometimes, your Moxie, and only your Moxie, will get a circuit upgrade and start to be interested in the same things you are!

Try to be patient. Moxie is a new robot ambassador and is always learning!
